The Greatest Show on Earth

THE GREATEST SHOW ON EARTH — Comedy — Pathos — Color — Excitement. The first signal bell rings and the performers enter the arena — Floodlights pour brilliance into the rings — A great roar goes up — The show is on — The band blares — Jaunty clowns jostle their way through the crowds. The more daring performers start to climb the lofty canvas heights while others remain earth-bound to break through the shining circles. As one troupe retires to the side-lines, another steps forward. In the spotlights, the high-hatted ring masters prance about, waving their whips with harmless hauteur as they direct and weave harmony into the big show. Every act — Every member — Every performer contributes something — And they all combine to make the greatest show on earth — Product of the past — Mirror of the present — Seed of the future.

Linda,
It's been great fun being with you in gym this semester. I hope we will be together again next year.
Love ya',
Pat Smith

Dear Linda

Mrs. Mamie Sallee

During the eleven years that Mrs. Mamie Sallee, Girls' Vice Principal, was at North Hollywood High School, she came to know "her girls" well. Her dynamic personality wisely influenced and made an ever-lasting impression upon the lives of the many girls who knew her. She will be remembered for her warm understanding, her fairness, and her friendship.

Busy as she was, Mrs. Sallee found time to sponsor Las Madrinas, the senior girls' honor club, Las Amitas, the tenth grade service club, and the Rally Girls. In addition, she worked enthusiastically with many school organizations such as, the Scholarship Society, the Student Council, the Interest Clubs, and the Arcade and El Camino Staffs. Those students who came in contact with Mrs. Sallee through these various school activities, as well as her many other friends, realized the great loss when Mrs. Sallee passed away August 30, 1954.

FACULTY

The Ring Masters of North Hollywood High School are the members of our faculty. Principals, Advisors, and teachers, alike, are genial, human, and wise. They stand at the side of the arena calling bravos and words of encouragement to the performers in the center of the rings. The whip they crack is one of understanding and inspiration to every Husky in finding his or her place in the world.

Mr. Norman McLeod

Mr. Norman McLeod, Boys' Vice Principal, holds the respect and esteem of the whole student body even though his immediate concern is with the problems and activities of the boys on campus. Great credit is due Mr. McLeod who, by the courage of his convictions and a thorough understanding of young men, can face situations with never-failing serenity. He is admired not only for his sincerity of purpose, but also for his genial manner and frendly as well as sympathetic interest in the student as an individual.

Mrs. Theresa Jinks

It is hard to believe that Mrs. Theresa Jinks, Girls' Vice Principal, only came to Bingville last September. In this one short year, she has endeared herself to every girl at North Hollywood High School. The great need for a friendly spirit and a warm heart to help each girl in finding her particular path amid the stress and turmoil of campus life is graciously met by our new Girls' Vice Principal. All school activities are assured of an enthusiastic supporter, and every girl is assured of a loving friend in the person of Mrs. Jinks.

Mr. John G. Fox

With many worthy years of academic service to North Hollywood High School behind him, Mr. John G. Fox has once again administered this school through another year most successfully. He has shown himself to be an able and fair judge of all student problems. Through wise leadership, he has won the esteem of the entire faculty. He has encouraged widespread interest in school spirit and growth. North Hollywood High School has been greatly benefited by his enthusiastic leadership. Genial, humorous, understanding, Mr. Fox has made many seniors feel fortunate for the opportunity of counting him as a friend and advisor during their three years at Bingville.

Counselors

The students of North Hollywood High School have the good fortune to possess as their grade counselors, seven of the most capable and enthusiastic members of the faculty. Headed by Mrs. Ethel Ludwick, the counselors are: Mr. Willard Kisling, Mrs. Desiree Northcote, Mrs. Ruth Duncan, Mr. George Betts, Mr. Harry Berkowitz, and Miss Marjorie Miller. Each counselor begins with a B-10 class and continues with it until graduation. With their splendid guidance and advice, it is possible to bring three years of high school to a successful close and to prepare for the future.

GOVERNMENT

All eyes are turned toward the Center Ring—Government. It sets the pace, maintains the balance, and integrates the large number of activities into a colorful and stimulating parade. Through the system of student government, all activities of North Hollywood High School are planned and executed by the students. The center ring is necessarily large for there are many who enter it.

President

The Student Council of North Hollywood High School had an illustrious group of leaders in the fall semester. President Hal Karlinsky, Vice-President Frank Zinzer, Secretary Sharon McGuigan, and Treasurer Tom Chasin will long be remembered for their efforts and determination in making this an outstanding school semester. The W'55 Council worked whole-heartedly in organizing and directing the many campus activities. The capable guidance of Mr. Arthur Curtis, as well as the loyalty and wonderful cooperation of the entire student body, contributed much to the success of the Council. A vote of thanks to our elected representatives of Winter '55.

A new semester—stormy weather, Easter Vacation, elections, honoraries, banquets, and proms. Every semester the same, and yet always new and different. Through the work of the S'55 Student Council, each phase of student activity was ably planned and directed. The Council had a wide range of duties and performed each one with enthusiasm and competence. President Tom Chasin proved to be a genial and capable leader. Vice President Jeanie Myers, Secretary Barbara Breit, and Treasurer Mary Sue McDermott, as well as the other elected student officers and commissioners, contributed to the sparkling success of President Tom Chasin's Council. They did a fine job in handling the many school activities and promoting school spirit.

SENIORS

The great lights dim and multi-colored spotlights pick out individual performers in the outside ring. It is a Merry-Go-Round of fun, festivity, and fellowship. Each performer has proved himself, and he is now ready to step into a more responsible and mature field of existence. The spectators under the Big Top salute these seasoned stars who are the Seniors of North Hollywood High School.

Class of Winter 1955

The officers of the Class of Winter '55 were well chosen by their classmates to handle the details of their last semester activities. Don Doty, Class President, was ably aided by Vice President Jim Young, Secretary Jeanette Harris, and Treasurer Carol Underwood. The Senior Aye Council, composed of a boy and a girl from each Senior Problems class, proved to be of great value to the over-all success of the semester.

The semester was filled with fun and frolic. The class meetings, the Picnic, the sparkling Prom, "Winter Paradise," the Farewell Assembly, Vespers, the Senior Banquet, and Graduation, in order, were the stellar attractions of the semester. The Class of Winter '55 chose as their name, "Continentals," and charcoal and white were appropriately chosen as the winter class colors.

Although the class was small, its achievements were large. We know that the members of the Class of Winter '55 will look back on their years at North Hollywood High School with pride.

The circus ends and the performers take their bows. We see the Ambassadors, in yellow and charcoal sweaters, take their last curtain call. Their sponsor, Mr. A. Curtis, and the class officers did a wonderjul job in directing class activities for 514 students. Several of these activities were: the senior Aye Picnic; Vespers; and the Prom, with the theme "Underwater Fantasy." This was the first prom held off campus. The Ambassadors' Motto was one which we should all remember, "Walk toward the sun, and the shadows will fall behind."

ACTIVITIES

Shouting barkers are calling the crowds to the entrances of the side shows. Each has something new and different to offer. Admission is only desire and interest. North Hollywood High School has many organizations—worthwhile additions to education. Latent talents and ambitions are brought forth through these groups. Truly, participation in the smaller groups and service to the school adds luster and glory to the Big Show.

What better place than on the campus of a modern high school can be found the color and excitement of "The Greatest Show On Earth"? The annual staff has attempted to capture this show in the pages of this yearbook with glimpses of the varied activities which make up high school life. The El Camino was fortunate this year in securing the services of a group of enthusiastic and hard-working students who contributed their efforts to the success of the book. The annual serves as a record of events, achievements, and personalities of high school life. To each student at Bingville, the El Camino becomes a treasure of valuable memories of happy days and friendships.

Arcade Staff

Being moved to a bungalow, losing their beloved Miss Seda Garapedian, and transferring all processes of printing to the Examiner, should not only have set the staff back a bit but sent them into a complete state of confusion and turmoil. It should have but it didn't. The Arcade has come out on top this year as well as any other year in the past.

Aiding the Editors-in-Chief, Joanne Kinney and Jim Bylin, in putting out a top rate paper, were Mr. Jerry Weiner and Miss Elizabeth Stoakes, advisors. They both did a fine job of seeing that every Friday during second period, a prize-winning paper was added to the files of the North Hollywood Arcade. Note: Mr. Jerry Weiner left our school to become a member of the United States Army.

The third ring is the scene of breath-taking feats. Strong men, acrobats, and dare-devils are performing for the great audience. A steady hand and a sure eye demand the successful coordination of physical strength and mental discipline. North Hollywood High School's cheers roll like thunder as the Husky athletes prove their ability, spirit, and sportsmanship.

Varsity Football

North Hollywood, the uncrowned city champions, started the season with a 18-6 win over the Toilers of Manual Arts. Manual later went on to take the City Championship. Not only did the Huskies beat the Toilers, but also they held them to two first downs to the Huskies' 14. They were also held to a total of 63 yards gained.

The Huskies were slim favorites over their second game rivals, the Braves of John Burroughs. The Braves were the up-and-coming team in the CIF, but the Huskies broke the back of this fine team, 12-6. It was in this game that Jon Lofstedt showed Coach John Sanders that he had what it takes.

This year's P.T.-A. MILK BOWL brought the Huskies their third straight win in the annual MILK BOWL games. The Huskies looked like City Champs by scoring 19 points in the first quarter, finally bogging down to coast to a 21-12 win.

Santa Barbara for the second time felt defeat from North Hollywood in an annual classic. Santa Barbara, being the favorite was upset by the Huskie crew, 26-20. Over 1500 Huskies supported our fine team by overflowing the Santa Barbara bleachers.

San Fernando, defending City champions, downed the Huskies, 13-12, in the League opener "big one" before 9000 frenzied fans at Van Nuys' Smith Field. North Hollywood was a possible contender for the city title after downing many tough teams in pre-season play.

Sparking the Tigers to their win was ace fullback Carl Ketchie who scored both of their touchdowns. In the duel, however, between Jon Lofstedt and Ketchie, Lofstedt came out on top, gaining 172 yards in 21 carries to Ketchie's 65 yards in 15 attempts.

Hollywood High Shicks were swarmed over in a noon game at Sandifur Field, 35-6, after first taking the lead in the initial period. Leading the Huskies to their victory was Tom Maudlin, quarterback, Don Voyne, end, and the surprisingly fine running of halfbacks Bill Yaple and Dave Tanner.

A fine forward wall was a determining factor in the Huskie success as tackles Joe Miller, Ross Goodman, guards, Angie Nicademo, Tom McCreary, center Al Holzer, and end George Brooks, stood out on defense and offense.

At Van Nuys in a night game it was pretty much the same story as the previous year when North Hollywood walloped them 36-0, only the score was 34-6 this time, in a one-sided fracas that gave the Huskie fans a great feeling of pride.

Our staunch rivals never had a chance of gaining the lead as the score was 27-0, North Hollywood's favor; the Wolves could not put themselves in the scoring column.

Again it was Tom Maudlin, along with fullback Jon Lofstedt, end, Don Voyne, and halfback Dave Tanner plus a determined line which led the Huskies to their second straight Valley League win.

North Hollywood's Huskie gridders completed Valley League play by downing Canoga Park, 26-7, on Sandifur Field, to close with a seasonal 7-1 win, loss record.

Being slightly outclassed in the statistical department of the first half, but leading 12-7, the Huskies exploded in the second half for two more touchdowns and numerous yardage gained almost at will, being led by halfback Dave Tanner.

This game gave the sports writers a last look at the ability of the Huskies as Helms All-Valley and All-City selections came out shortly afterward.

More Bees

The Huskie lightweights started the season with only four returning lettermen and three returning squadmen. The rest of the team was made up of green 10th graders. In their first game the Pups met the Toilers of Manual Arts. The game was filled with fumbles and mistakes by both teams. Ronnie Brand was outstanding for the Huskies. At the final gun the score was 19 to 0 in favor of Manual Arts.

In the second game of the pre-league season North Hollywood battled the Jefferson Democrats. In the first two minutes of play the Huskies fumbled on their own 20. The Democrats recovered and pushed the ball over for 6. The point after the touchdown was good. Throughout the rest of the game the Jeffersonians never reached Huskie territory due to the outstanding defensive playing by the North Hollywood team. The game ended with Jefferson winning 7 to 0.

North Hollywood Bees were ambushed by the Indians of John Burroughs at Bingville in the Pups' third game of the year. The Pups couldn't seem to make any yardage against the more experienced Burroughs Tribe. It was during this game that Mark Millard showed outstanding ability in the fullback slot. Millard's fine running and the good job of quarterbacking by Bill Severn wasn't enough. The Indians scalped the Huskies 19 to 6.

Traveling to Birmingham for the first league game the Bees rolled over the Braves 20 to 0. For the first time the Bees looked like a well oiled machine. Rick Warren and Vern Cleva played outstanding ball each catching several passes. Playing both offense and defense Al Harding and Louie Moralas were the power in the center of the Huskie line.

The defending Valley champs, San Fernando, traveled to the Bingville campus with an undefeated record. This was an important game for the Huskies. It was a hard fought game with the Huskies finally winning the game 8 to 6. Gary Esienburg ran well from halfback slot. Tony Collie and Tim Elbourne traded off at center and did an outstanding job pluging up the center of the line.

The Huskie lightweights clashed with the Sheiks from Hollywood and when the cloud of dust had cleared the Pups left for home with a 26 to 2 victory. Mickey Alzola was the outstanding player of the game, after throwing a perfect 35 yard pass for a T.D. The Pups' defense played top ball.

On the day of the League deciding Van Nuys-North Hollywood Tilt, the wind was blowing a gale. The game was completely held to the ground. Van Nuys kicked off, and the ball soared over the Chandler fence. The game was a close one, with the Championship-bound Wolves winning 7 to 0. Playing outstanding defense was Jim Mass and Jim Jones, on offense, Sonny Cibene and Scotty Matto.

In the final game of the '55 season, the Huskie Pups met the Hunters from Canoga Park. A pass from Severn to Perry on the first play of the game started the game rolling with a 27 yard gain. Perry played outstanding ball both on offense and defense, averaging 11 yards per carry in 15 carries. The Bees finished the game in fine style shipping the Hunters 19 to 0. The Huskies finished the season with a second place. It was the best Bee season in the last 10 years.

The Huskie J.V. Team started the season strong with one of the most potential groups in the history of the school. But after the first game, disaster struck at Bingville. Four of the five starters were declared ineligible.

Coach Furlong and the Youngster Five were not so easily discouraged. The bench held a strong group and the J.V. came through with a better than average season.

Ellis Patterson took the only honors for the J.V.'s. He was chosen to be a member of the Second Team All-Valley.

Playing outstanding ball for N.H. were Ron Roderick, George Chmyz, Bob Elsner, and Don De Korte.

Playing strong as subs and showing large improvement were Kent Allender and Bob Tellander.

Bee Basketball

This year again as last, the Bee team under the expert coaching of Paul Xanthos were Valley Champs. Losing only two games each by two points and none to League opponents, the smallies played great ball.

When All Valley honors were passed out, Fred Selan was 1st string and also Player of the Year. Leonard Valdez was on the 1st team, while the second team consisted of Terry O'Hanlon, Mike Higer and Bob Sweet. Steve McMorris and Marvin Finger were honorable mention.

Basketball 1955

This year's Varsity Hoopsters had a good season with an 11 to 4 win-lose record. The Huskie Giants lost twice to Hollywood, the powerhouse of the Valley League. They also lost to San Fernando once. This gave the Huskies a 5 wins 3 lose record for league play.

Misfortune overtook "Long John's Five" after they were chosen to play in the City Playoffs. The Jeffersonians defeated the Huskies by 12 points.

Doing an outstanding job for the tallies were Dick Winter, First Team All-Valley, John Stapp, Second Team All-Valley. Also doing an outstanding job of ball handling were Ron Roberts, Steve Light, and Stew Pretiken.

This year's Cee team was green, and young, but it showed outstanding possibilities for the future. Again, as in the past, the team was not a high scoring outfit, but a close-knit well balanced team that finished out the season in third place.

Without heartbreaking two, and three point losses to League opponents, this year's Cee team could have very well been League champs.

Led this year by Kirby Alvy and Lyle Stevens, they both showed promise for next year's Bee team. Other lettermen included Steve Allabach, Bud Postil, Ron Wood, Gary Kenworthy, Chuck Scarle, and Gary Weingardt.

The spirited and untiring squad, under the able handling of Coaches Sanders and Nelson, turned in a top-notch performance this year.

Boasting a terrific combination of field events, the Huskies also showed their strength in the track division for a good start to duplicate last year's championship record. After downing Lincoln on the home oval, the Huskies went on to trample Birmingham. Confidence and determination, with a few lucky breaks, made them victorious over a strong San Fernando team and left them enough to down Hollywood and Van Nuys. The Huskies as a team and individually hope to go far in Valley and City competition this year. It's hard for our Huskies to lose with outstanding athletes as Bach, Pritikin and Seltzer in the sprints, Kerr and Buyers in the mile, Boin and Racusin in the 440, Erbes, the captain of the squad, in the 880, Newsom and McBride in the hurdles, Griffin, Miller and Williams in the shotput, Harnack and Valdez in the high jump, Sweet and Hambleton in the broad jump, and Haynes in the pole vault, which rounds off a great 1955 track team.

Bee Track

This year's Bee thinclads just couldn't seem to rack up enough points to win a meet, although there were several outstanding individuals. Sonny Cibene recorded one of the fastest times in the 660. Preston Kelly, Brad Perry and Bodie Chandler, all recorded points in the pole vault, Kelly vaulted to 11 ft. 6 in. Mike Guest, Mark Millard, and Ray Marin were the Bee sprint men. Jim Kruger, Marvin Finger, Brian McFarlin carried the burden over the hurdles. Brad Perry, Marvin Finger, and Perry Altshule high jumped for the Bees. Sonny Cibene put the shot for the lightweights.

Spring of 1955 was not a very good year from a team standpoint but it did produce some outstanding individuals. In the 100 it was Kent Pendelton who was undefeated all year. The Cee team had an outstanding 660 man in Mickey Fazzolio who ran first or second all year, and also handled the broad jump chores. In the 880 it was Valley Champ Wendell Monello. Running the hurdles the leader was usually George Iwamoto. On the high jump it was Mickey Alzola. The shot put was handled by Bob Plemon, and the relay was Plemon, Fazzolio, Monello, and Pendelton. These boys look good for the varsity in future years.

Baseball

This year's Varsity Horschiders had some very outstanding players. Holding down the second base position was John Stapp. One of the best fielders in the League, John also was a hard man to contend with when he was at bat. Tom Bruno back stopped for the Huskies in outstanding form. The pitching staff was full of good ball players, Ernie Teschner, and Harvey Altman. Two eleventh graders also held down respected jobs on the pitching crew, they are Rick Warren and Ronnie Bell. Ted Voyvodick played exceptional ball at the short stop slot. There was depth on the bench. This seems to prove very interesting to all who are interested in next year's team.

FRONT ROW—Averill, Thomas, Hynous, Branch, Brand, Shields, Cleva, Sapronetti, Strauss, Frederick, Konecky, Sopp.
BACK ROW—Trump, Elsner, Reneau, Corpening, Dondy, Ball, Winfield, Hadraba, Avly, Hidalgo, McComb, Gordon, Gray,

J. V. Baseball

Coach John Trump's J.V. baseball team seems greatly improved over last year's squad. The team has more power and better hitters and should go far in winning the Valley League J.V. pennant.

The power lineup of the team starts with Ronnie Brand, John Hadraba, Fred Towe and Tom Shields who have all been hitting well. The pitching this year was very fine as Tommy Thomas and Art Corpening were very consistent, but the big surprise of the year was little Robert Frederick who pitched two one-hitters and also had a win over San Fernando. In the field the team isn't quite as strong except for the bullet arm of Catcher John Hadraba and fine outfield play by Rich Konecky and Vern Cleva, the captain of the squad.

All in all the Varsity Horsehiders next year can look for a great deal of fine material coming up from this year's J.V. team.

Richard Raskoff, Howard Baldwin, Raynor Byers, Hal Harkness, John Kerr, Coach Smith.

1954-1955 was a very outstanding year for Cross-Country. John Kerr, the great Huskie miler, led as usual this year. Raynor Byers and Harold Harkness also helped the team to an outstanding year. Boasting a season record of only one loss, and the Valley League Meet Championship, the team was the best North Hollywood has yet produced.

John Kerr, Hal Harkness, and Raynor Byers placed one, two, three in the Valley. When the City Meet came around, John placed third, and Harold ninth. Other members of the Varsity Cross-Country team included Howard Baldwin, Richard Raskoff, Bob Williams, Bob Newsom, Felix Gallarza, and Bill Schroder.

Junior Varsity Lettermen included Jim Bylin, Warren Kashuk, Eddie Garr, John Smith, and James Robinson.

Tenth Grade Lettermen included Randy Lipson, George Fillerup, Denny Schamp, Robert Kram, and Ronald Kessler.

Gymnastics

The Huskie muscle men had an outstanding season. They started the season with only four seniors. Outstanding as four event men were Bucky Taylor and Ralph Garrett. Taylor consistently placed in all four of his events. Garrett also was good for points in each of his events. Bruce Barton showed championship promise on the side horse and Sage Shimooka scored high in free exercise and registered the only perfect performance by any member of the team by scoring 30 points in tumbling. DeLara led the League in the rope climb, recording some phenomenal times. Losing only four members of the team this year, the Huskies are going to be hard to reckon with next year.

The muscle men finished the season in first place in the Valley League.
